HEAT PUMP COMPARISON

As at: May 4, 2026

PLEASE NOTE: The "Price From" column refers to the lowest supply and installation price and maximum rebates available for the respective system. For the conditions required for this price to apply please see the corresponding Ts & Cs at the bottom of the document.

	Sizes Available (L)	Tank Material	Warranty	Compressor Rated Input Power (kW)	Electric Element Rating (kW)	Refrigerant	Timer Functionality	Temperature Operating Range	Noise Rating (dBA)	Other Features	Price From
iStore	180L 270L	Vitreous Enamel	5 year warranty: tank, refrigeration & electrical (controller & sensor leads) parts & labour 1 year warranty: Sacrificial anode, PTR valve, air filters & consumable items parts & labour	180L: 0.58kW 270L: 0.85kW	1.0kW	R290	Inbuilt digital display to control and monitor the unit, including timer settings, boost & operating mode.	-7°C ~ 50°C	180L: 46dBA 270L: 47dBA (Measured at 1m)		$2,630 inc GST^
Haier	200L 250L 330L	Vitreous Enamel	7 year warranty on the tank and 5 years on all other parts & labour	200L: 0.43kW - 0.7kW 250L: 0.43kW - 0.7kW 330L: 0.7kW - 0.82kW	200L: 1.5kW 250L: 1.5kW 330L: 2.2kW	R290	Built in Wi-Fi module and SmartHQ™ allows control of the appliance from anywhere & can connect directly to some solar PV inverters. Including timer settings, boost & operating mode. The SmartHQ app also integrates with Google, Alexa, Sonos, Matter & Home Assistant.	-7°C ~ 45°C	200L: 43dBA 250L: 43dBA 330L: 47dBA (Measured at 1m)	Haier provides a $200 Visa digital gift card for anyone who leaves a Product Review after installation - https://www.productreview.com.au/listings/haier-monoblock-heat-pump-water-heater/	$3,095 inc GST*
Rinnai Enviroflo GR	180L 265L 300L	**Vitreous Enamel**	7 year warranty on the tank, 5 years on tank labour & refrigeration components part & labour, and 1 year on all other parts & labour	1.1kW	1.0kW	R290	Inbuilt digital display and Wi-Fi for control via SmartLife App allowing control of the appliance from anywhere to set operating times, mode & boost.	-7°C ~ 45°C	46dBA (Measured at 1.5m)	Directly connects to compatible solar PV inverters to boost performance using excess solar energy Multiple operating modes: Standard | ECO | Hybrid | Electric | Vacation	$2,895 inc GST^
Rinnai Enviroflo S	250L 315L 400L	**Vitreous Enamel**	10 year warranty on the tank, 5 years on tank labour & refrigeration components part & labour, and 1 year on all other parts & labour	2.0kW	2.4kW	R290	Inbuilt digital display and Wi-Fi for control via SmartLife App allowing control of the appliance from anywhere to set operating time, mode & boost.	-10°C ~ 45°C	42-52dBA (Measured at 1.5m)	Directly connects to compatible solar PV inverters to boost performance using excess solar energy Multiple operating modes: Standard | ECO | Hybrid | Electric | Vacation	$5,600 inc GST*
Rheem Ambipower	180L 280L	**Vitreous Enamel**	10 year warranty on the 280e tank and 7 year warranty on the MDc-180 tank, 3 years on tank labour & refrigeration components part & labour, and 1 year on all other parts & labour	180L: 0.683kW 280L: 0.690kW	180L: 1.4kW 280L: 1.5kW	180L: R513A 280L: R290	User-friendly touch screen LED display to set operating time to suit TOU tariff and/or use excess solar generation and see useable tank capacity	-7°C ~ 43°C	180L: 47dBA 280L: 48dBA (Measured at 1m)		$3,900 inc GST^
